PETITIONER's COMMENTS

Please accept these comments as restated below from  
Proponents original petition.

DISCUSSION

Spur, Texas is an incorporated community of 1,119 people as of January 1, 1998 according to the Texas State Data Center. Petitioner respectfully submits that the public interest would be served by allocating Channel 254A to Spur, Texas, as that community's first aural broadcast transmission service. Spur has its own mayor, Bill Hoover, its own post office, its own fire department, its own school system, its own city hall and a number of local churches. The proposed channel 254A will provide additional diversity and an outlet for local self-expression to Spur residents and therefore is in the public interest.

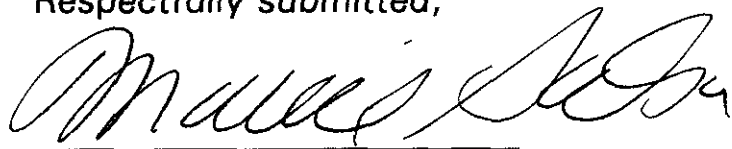

Petitioner hereby states that if the commission grants this petition, he will apply for the channel when it is allotted, and, if his application is granted, he will promptly build the station.

WHEREFORE, for the foregoing reasons, Petitioner respectfully requests the commission to grant this petition and to allot channel 254A to Spur, Texas.

The information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
